## About This Game

This is a world ruled by darkness and magic.  
For centuries, war has raged on between the principalities.  
Countless heroes have fallen in battle, and legends began to grow.  
Magicians created this card game, Darkest Mana, to remember the heroes and recount the legends.

### 1. Create a deck of your own.

I wanted this game to be cool. It looked awesome in the trailer like a 3d realtime hearthstone. Unfortunately, it's a complete mess. I played through the entire campaign and won every "PVP" match (as they were clearly just bots with fake names) using only archers. Just spam 1 mana archers all day to win everything in the game. 0 balance. 2/10 can't recommend.
