

Game Pack 1 - Card Matching Games (9-2013) Fixed Cheats No Verification

The screenshot displays a Yu-Gi-Oh! TCG interface. On the left, a card detail for 'BOTTOMLESS TRAP HOLE' is shown, including its name, type, and effect: 'When your opponent Summons a monster(s) with 1500 or more ATK: Destroy that monster(s) with 1500 or more ATK, and if you do, banish it instead of sending it to the Graveyard.' Below the card is a price table with columns for 'Low', 'Avg', and 'High', showing values of '\$3.01', '\$3.69', and '\$4.25' respectively. A 'Buy Now @ Tcgplayer.com' button is also present. The main area is a deck editor grid with 40 slots, organized into rows of 10. The top row is labeled '40', the second '0', the third '15', the fourth '0', the fifth '12', and the sixth '13'. A 'DECK' label with a 'Z' icon is on the left side of the grid. Below the grid is a 'SIDE' section with 10 slots. On the right, a yellow 'SEARCH' panel is visible, with a search bar containing 'maestr'. Below the search bar are various filters for 'Desc:', 'Card:', 'Type:', 'Attrib:', 'Lvl / Rank', 'ATK', and 'DEF'. The 'Limit' is set to '1' and the 'Order' is 'Alpha'. A 'Search' button and a '1 / 1' indicator are also present.

---

Lucky Farm v1.2 Match cards before the timer runs out and don't waste to many remaining turns. This game is a great way to test your kids memory speed and recall limits as they have fun matching cows 256bba5762
